FOUR-BALL MATCH ATTRACTS CROWD

One of Prettiest Golf Contests of Season at Pinehurst.

[Special to The Times-Dispatch.] Pinehurst, N. C., February 14.—A big crowd followed the four-ball match between Mr. Perrin, the winner of the St. Valentine's tournament, and Professional Donald Ross, and Mr. Fowmes, the winner up, and Professional Alexander Ross, the latter missing on the twenty-first green, in one of the prettiest contests of a like character ever seen here.

Starting out, the first five holes were halved in par figures, Alex. Ross winning the sixth in three and gaining a lead, which was lost on the next hole; two for Donald Ross on the eighth, and a three for Alex. Ross on the ninth, making the score all even at the turn. Coming home, Donald Ross captured the eleventh in four, but the lead was lost on the thirteenth and fourteenth, both of which went to Alex. Ross. On the fifteenth, a three for Mr. Perrin won the hole, his two and the sixteenth being halved. The first two by E. holes were halved in four each, Alex. Ross winning the third, and the match in three. The cards:

Fowmes and Alex. Ross—5, 5, 4, 4, 5, 2, 6, 3, 2—35; Ferring and Donald Ross—5, 5, 4, 4, 5, 2, 4—28.

Fowmes and Alex. Ross—4, 5, 4, 4, 4, 4, 3, 5—37; Perrin and Donald Ross—4, 4, 5, 5, 3, 3, 4, 2—36.

Fowmes and Alex. Ross—4, 4, 3; Perrin and Donald Ross—4, 4, 4.

A good field is entered for the fourth annual St. Valentine's tournament for women, which starts Wednesday. The Silver Fells, Pinehurst's golfing organization for women, the di-

rect opposite of the Tin Whistles, holds its first tournament to-morrow.

AMUSEMENTS.

Bijou—"In Africa."

Really a Good Show.

Yorker and Adams, well and favorably known to Richmond theatre-goers, began their engagement at the Bijou last night in the new musical comedy, "In Africa."

The usual first night crowd was on hand to greet the popular comedians, who proved to be about as clever as they could possibly be and their company even better than it was last year. Playing the Ponies was on the boards at the Bijou last night. The chorus was far above the average, being not only good to look upon, but about the best trained aggregation that has been here this season. The detailed mention of all good members of the company would be a long task. Suffice it to say that it was well up to the high mark aimed at by the management and that its efforts were highly appreciated by the usual Monday night crowd.

The regular Bijou orchestra, composed of men who have been out for about two months, was again in its place and received quite an ovation from the audience. Incidentally, it added much to the success of the play.

BURDEN OF PROOF ON MAN MAKING CHARGE

Judge Harrison Instructs Jury That if It Believed Yoder Maliciously Published Article, Then He Is Guilty of Libel.

Judge Harrison gave the following instructions to the jury in the Yoder trial:

The court instructs the jury—(1) The accused is charged with a criminal offense, and cannot be convicted until every material fact constituting the crime with which he stands charged is proved beyond a reasonable doubt, and if the jury have a reasonable doubt, upon a material fact, or element necessary to constitute the crime, it is their duty to give a verdict of acquittal. The facts established must not only be consistent with his guilt, but inconsistent with his innocence.

(2) A libel is a malicious publication tending to blacken the reputation of a living person and exposing him to public hatred and contempt, and calculated to provoke violence and breach of the peace. If, therefore, the jury believe beyond a reasonable doubt that the accused published the article set out in the warrant, that the same was malicious, that the language used therein, either expressly or by insinuation, was calculated to blacken the reputation of the person named, and to expose him to public hatred and contempt, and to provoke violence and breach of the peace, then the accused is guilty as charged.

VERNEILLE IS RELEASED.

A Last Year's Player Will Not Be With Lynchburg This Season.

[Special to The Times-Dispatch.] Lynchburg, Va., February 14.—President McLaughlin, of the local baseball association, announced this afternoon that he had adopted a statement in his release and that Vernuelle would not be with the Shoemakers this spring. Vernuelle, it will be recalled, was purchased by the Lynchburg team in the close of the 1908 season, and he was with the team until June, when he was released. President McLaughlin says Vernuelle would not have been let go this early, but there are evidences that he will not be needed for the team this year and it was not desired to hold him until it would be too late for him to secure a berth for this season.

WILL STICK TO 154 GAMES.

American League Will Not Change Length of Playing Season.

Chicago, February 14.—The American League will adopt a 154 game schedule at its meeting, which begins here to-morrow, regardless of the action of the National League in New York, according to a statement made by President Bowson to-day. "We will stick to the old length of the schedule," said Mr. Bowson, "and we will not adopt a 154 game schedule until we are sure that the National League in New York decides upon 154 or 168 games." The American League meeting will begin to-morrow, but the schedule will not be adopted until Wednesday. The principal business to be before the meeting to-morrow will be the adoption of the new ten-year agreement. The program under which the American League exists will expire in November of this year. The American League was in existence at the beginning of 1900, but the agreement was not adopted until June, later in the year. Apparently there will be no objections to the continuance of the circuit for another decade, as all the clubs are well satisfied with present conditions.

Will Adopt 150-Game Schedule.

New York, February 14.—The American Association will adopt a 150-game schedule to-morrow evening. The season will probably open on April 13, and close about September 28. The dates of the opening and closing, and the length of the season, were decided at a meeting in December.
